Friend,

First, allow me to thank you for your extraordinary commitment to protecting our nation. The duty and sacrifice our military personnel exhibit everyday is herculean, and I assure you your service does not pass unnoticed.

Throughout my campaign for U.S. Congress, I speak to a lot of military veterans who all make one thing clear: Washington is not doing enough for them. Our military is the bedrock of this nation, and when we fail to serve those who serve us, we lose the foundation of what makes this country exceptional. That's why I spent my time in the Florida legislature fighting for our veterans, active duty personnel, and their families, and plan to take that fight all the way to the Capitol building as a U.S. Congressman.

In the Florida House, I led the effort to support our military and veterans. I successfully sponsored legislation that protected the identities of active duty personnel and their families from heinous ISIS "hit lists," and I co-sponsored the Florida G.I. Bill, which offers hiring preferences and in-state tuition to veterans in Florida.

I will never stop advocating for better treatment for our veterans, and that includes abolishing the disaster that is the V.A. I believe creating an entirely new system is the only solution to offering quality health care to our veterans, and I'm committed to making this idea a reality.

I passed laws in Florida that benefited active duty military, veterans, and their families, and now I want to do the same in Washington D.C. Please visit my website, www.MattGaetz.com, for more information about my campaign, and I can always be reached at 850-200-4760 for questions.

Thank you once again for your service. By requesting an absentee ballot, you've already made clear that you are ready for new leadership in Washington. I hope I can count on you for your vote to stand up for active duty military and their families.

Sincerely,

A handwritten signature in black ink that reads "Matt Gaetz".
